PROFILE

I am a proficient web developer with experience in HTML, CSS, and JavaScript and basic knowledge of Python. Passionate about creating innovative solutions, my recent project involved developing a Recipe Recommendation System using machine learning algorithms. Seeking opportunities to leverage my skills in a dynamic work environment.

EDUCATION

- ITM Vocational University , Vadodara**
Bachelor of Technology in Computer Science and Engineering 2022 - 2026
Score : 9.82 CGPA in 5th Semester
 - Class XII**
Score : 64.61 % 2022
 - Class X**
Score : 80.83 % 2020
-

PROJECT

- Recipe Recommendation System** February 2025 - May 2025
The Recipe Recommendation System is a web-based application designed to suggest personalized recipes to users based on their preferences, dietary requirements, and available ingredients.
Technologies Used:
1. Frontend: HTML, CSS, Flask Templates
2. Backend: Python, Flask
3. Machine Learning: ML Model : K-Nearest Neighbors (KNN) algorithm
-

SKILLS

- Web development HTML and CSS
- Javascript
- Python
- Problem Solving
- Coding and Development
- Team Management
- Communication Skills
